

ROBERT TIERNEY
Chair
Landmarks Preservation Commission
1 Centre Street
9th floor
New York, NY 10007

Dear Chairman Tierney,

As a resident and property owner in DUMBO, I am writing to ask for your help in preserving my neighborhood.

DUMBO's historic character is in jeopardy. As the pace of development on the Brooklyn waterfront accelerates, historic buildings are being torn down and defaced and our Belgian block streets are being scarred. Without Landmark protection, we will certainly lose more buildings, and DUMBO's unique "sense of place" could be lost forever.

I urge you to designate the DUMBO Historic District.

Thank you for your support,
